SEPTEMBER 7, 1984

1984-85 Academic Year Begins Tuesday

Launched by an all-campus convocation and the first general meeting for all faculty, the 1984-85 academic year begins Tuesday.

President Anthony H. Evans' convocation address to all faculty and staff at 9 a.m. in the gymnasium marks the start of the university's 20th year.

The general faculty meeting will follow from 10 to 11:30 a.m. in the Recital Hall. Acting Vice President for Academic Affairs Ward McAfee will outline highlights of the coming year and school deans will introduce the 36 new faculty joining the university this year.

Concurrent with the general faculty meeting will be a coffee and orientation tour for spouses of new faculty, sponsored by the Cal State Associates. The coffee, beginning at 10 a.m. in the Health Center lobby, will be followed by a tram tour.

Other activities for the faculty Tuesday include distribution of health insurance booklets at 11:30 a.m. in the Recital Hall; a new faculty orientation 1:30-3:30 p.m. in the Lower Commons; meeting of faculty involved in student orientation programs at 3 p.m. in the Student Union; and new faculty sign-up with personnel officer, at 3:30 p.m. in the Lower Commons.

Explanations of the advising procedures and academic regulations will be given new faculty from 10-11 a.m., Wednesday and all faculty from 11-noon in the Recital Hall.

Faculty are to be available in their offices for advising of students from 8:30 a.m. to 8:30 p.m., Thursday and from 8:30 a.m. to 3:30 p.m., Friday. Concluding the week for faculty will be the reception honoring the newcomers hosted by President and Mrs. Evans from 5-7 p.m., Friday in the Commons.

A "Coyote Roundup," featuring a barbecue and dance, will highlight orientation activities Tuesday, beginning at 5:30 p.m. in the Lower Commons patio. Faculty and staff are invited to join with students and their parents for the festivities. Tickets, \$5 each, are available through the Activities Office or at the barbecue.

Parents will be on campus for an orientation from 2 to 5:15 p.m., Tuesday. Their registration will be in the Student Union. Workshops will be there, in the Commons and the Health Center.

For students, a wide range of orientation activities and placement tests are scheduled from Tuesday through Friday. Math placement exams will be given from 1-3 and 4-6 p.m., Tuesday in PS 10. Music auditions will be at various times Wednesday afternoon, Thursday and Friday.

Orientation for freshmen in the Educational Opportunity Program will be 9 a.m.-4 p.m., Wednesday. Orientation for all freshmen is 8 a.m.-4 p.m., Thursday. The special time for EOP transfer students is 1-5 p.m., Thursday. Transfer student orientation is set for 7-9 p.m., Thursday.

Registration for fall quarter classes will be held from 9:30 a.m. to 6:30 p.m., Monday and Tuesday, Sept. 17 and 18 in the gymnasium. Late registrations will be accepted from 2-4 p.m., Sept. 19, also in the gym. Classes begin Thursday, Sept. 20.

Facilities Scheduling Consolidated

Scheduling of rooms and facilities, both by campus groups and off-campus organizations will be handled by one individual beginning next Tuesday.

Kathy Beemer will assume the new position of scheduling coordinator. She is in the Activities Office, SS 122, Ext. 7407. Previously, the Office of the Executive Dean coordinated scheduling requests for off-campus groups. The balance of the requests were processed by the Activities Office. In the future, the master calendar and all requests go to Ms. Beemer.

CSU And CSEA Reach Tentative Agreement

A tentative agreement has been reached with the CSEA, the bargaining representative for 12,000 employees in four bargaining units, the CSU announced last Friday.

The settlement, pending ratification, includes pay increases of 11.8 percent for 16 selected classes of payroll, accounting, and clinical aid employees; 10.8 percent for certain radiology classes; 9.8 percent for nursing classes; and 8.8 percent for all other employees. These are in addition to 1 percent granted to cover the increased costs of various fringe benefits. The increases would be retroactive to July 1.

Agreement was previously reached in the negotiations over provisions governing assignments, overtime, holidays, classification appeals and union leaves.

The tentative settlement represents the implementation of a total 10 percent increase authorized by the governor and Legislature for the 1984-85 fiscal year.

Weather Station Named After Dr. Marvin Frost

Approval has been granted by CSU Chancellor W. Ann Reynolds to name the campus weather station the Marvin Frost Weather Station, after the late faculty member who developed and managed it.

Dr. Frost, 43, died of a heart attack in April, 1983, while on sabbatical to study wildlife in the jungles of Belize, formerly British Honduras. An associate professor of geography, he was a faculty member here for seven years.

Dr. Frost was found dead April 21, after being reported missing from a Mayan Indian village where he had been staying. He was familiar with Belize and had been there previously. His dissertation, obtained in 1974 from Oregon State University, was written on the relationships between man, land and wildlife in Belize.

He was coordinator of the environmental studies program and the weather station at the time of his death. The facility is situated about 130 yards north of the Student Services Building.

Carlos Marquez Named To Personnel Post

Carlos Marquez, a former personnel analyst for the UC Irvine Medical Center, is a new personnel management specialist in the Personnel Office.

Marquez, retired from the U.S. Air Force, will be responsible for reclassifications. He arrived on campus Aug. 13 from the medical center, where he was responsible for classifications and employee relations for five years.

He studied public administration on this campus for two years, while stationed at March AFB. He earned his B.A. in general education from the University of Nebraska and his M.S. from the University of North Dakota.

Outreach Coordinator Joins SAA Program

Eva Jimenez, who has done outreach work on both UC and CSU campuses, is the new outreach coordinator for the Student Affirmative Action program here.

She will work with eight community colleges in the university's service area and will have a special assignment to do early outreach with students at Colton Junior High School, said Dr. Gilbert Sanchez, SAA director. Ms. Jimenez also will represent the campus at college/university days outside of its service area.

After receiving her B.A. in liberal studies from San Jose State, she worked briefly in the EOP program there and then was employed at UC Santa Cruz to prepare special minority junior high school students for higher education. Since then she has been a counselor with a Health Careers Opportunity Program in San Ysidro and an audit clerk with the Bank of America.

Professional Activities

Dr. Amer El-Ahraf (Academic Resources) initiated this year's series of guest editorials written by past presidents of The National Environmental Health Assn. in the Journal of Environmental Health. His editorial, "Organizing Environmental Health Faculty: An Idea Whose Time Has Come," appeared in the July/August issue.

Peppino A. DeBiaso (Political Science) has an article, "The Emerging Deterrent: Strategic Defense," published in the August issue of Journal of Civil Defense.

Arthur Nelson (Library) is an at-large member of the CSU Library Advisory Committee for 1984-85. The LAC advises the chancellor on systemwide library matters.

Dr. Peter A. Wilson (Dean of Students) has been appointed to a two-year term as chair of the Southern Executive Committee of the National Association of Student Personnel Administrators. The committee coordinates association activities from Bakersfield to the California-Mexico border.

Community Service

Arthur Butler (Public Safety) will serve a second four-year term on the Riverside City Personnel Board. He is currently vice chair.

Investigator Quentin J. Moses (Public Safety) demonstrated CPR techniques to 25 Operation Second Chance youngsters Aug. 21 and 22.

Dr. James Mulvihill (Geography) served as chairman of the Awards Committee for the Inland Empire Section--American Planning Assn.
